- It's located at 18, avenue Mohamed V, 1080 Tunis.
- Capital: 238 million dinars
- Size and number of employees: 1855 employees

# 02 Practical Skills

# 03 Challenges

- Gain supervisors trust
- Working under pressure
- Lack of feedback

# 04

## Personal development skills

- Organization skills
- My communication skill increased
- I dealt professionally with challenging situations
- I improved my mathematics

# 05 Analytical and critical thinking

- Improved my analytical and critical thinking
- Further developed my communication and organization skills
- Understood the importance of teamwork

# 06 Recommendation

- BH needs to do less work with sheets and work more with softwares
- Use technology and digitalization more often
- More communication between different departments
